PRESIDING OFFICER GREGORY HOSTS COMMUNITY MEETING TO DISCUSS OAK STREET CONSTRUCTION PROJECT

Suffolk County Legislature Presiding Officer DuWayne Gregory hosts an informational community meeting regarding the upcoming construction project on County Route 12 (Oak Street) alongside William Hillman, Justin Hipperling and Christian Simovich of the Suffolk County Department of Public Works on June 13 in Copiague.

Amityville, NY – Suffolk County Legislature Presiding Officer DuWayne Gregory recently partnered with the Town of Babylon and the Suffolk County Department of Public Works to host an informational community meeting regarding an upcoming project to improve County Route 12 (Oak Street).

The \$8-million project, which is scheduled to take place over two years, will include drainage system replacement and repair, full depth pavement patching, resurfacing, curb and sidewalk replacement, pavement marking and necessary traffic signal modifications. The improvements will cover the approximately 2-mile section of Oak Street from County Line Road in Amityville to South Strong Avenue in Copiague.

At the meeting, held at the Copiague Fire Department, representatives from the Suffolk County Department of Public Works presented plans for the construction, answered questions and addressed community concerns.
